TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

Guy's Cliffe House and Avenue. This is the seat of Lord Algernon Percy, and was in old days the hermitage of the famous Guy of Warwick, who killed the Dun Cow and the Danish giant, and died, a hermit, at the gate of Warwick Castle, where, disguised, he daily begged alms of his wife, the fair Phyllis. The avenue of fine firs was planted at the beginning of the eighteenth century.
